KS3 Distance Learning Courses

1 Year Lower KS3 (Suitable for those in Year 7, Year 8)

£350 – 1-hour tuition per week/38 weeks

1 Year Higher KS3 (Suitable for higher achievers and Year 9)

£350 – 1-hour tuition per week/38 weeks

We are happy to discuss this with you to help you decide which group your child would benefit the most from.

All courses include:

- Tutor led course
- Weekly online group tuition (max. 6 students per group using Zoom)
- Weekly tuition sessions are recorded and available on your child's account for them to watch as many times as they need.
- Printable worksheets relating to the online session with the option of emailed answers, inputting your answers online for an immediate response or both.
- A weekly drop in session where children can speak to Dan 1 to 1 about any topics they are unsure of.
- A certificate at the end of the course to say they have participated.
- Full support – we are available by email or facebook at any time and aim to respond asap.

"My son loves his sessions with Dan: it's reignited his lifelong love of mathematics which had withered away after three years in school" Customer K

All sessions will be on Mondays, Tuesdays and Wednesdays with the drop-in session on a Friday afternoon.

All worksheets and online tests will be available on their account as soon as the online session has taken place.

As home educators ourselves, we know how expensive it can be, so we have tried to put together plenty of payment options for people to choose from:

Option 1 - £350 full payment.

Option 2 – Deposit of £175 followed by £175 paid in December.

Option 3 – Deposit of £87.50 followed by 3 payments of £87.50 in September, December and March.

Option 4 – Deposit £50 followed by 6 payments of £50 in September, October, November, December, January and February.

Option 5 – Deposit of £50 followed by 10 payments of £30 in September, October, November, December, January, February, March, April, May and June.

We are happy to discuss any of these payment options in more detail with you.

Please note: there is the option of purchasing the course without online live tuition – please contact us for more details.

You can contact us at tuition@absolutemaths.co.uk or on our facebook page - **Absolute Maths** – to book your place or for more information.

“My 3 hated maths one used to sit and cry, but they love Dan and really look forward to his lessons, they have learnt more with him this year than they did at school” Customer R
